Questions to reflect on individually and discuss in Small Groups:

1. What stuck out to you from the message? (What's your keeper?)
2. What "white crosses" have I seen as warnings in the lives of others?
3. Have I had or do I have a Jehoiada in my life? How can I learn from mentors without being dependent on them?
4. How can each of the 5 items mentioned Part B help me finish well?
5. Finish this sentence with the primary thing that God is leading you to do: "In light of these passages and this discussion, I will ..." (What is your action point?)
